(Sales Promotion Schemes & Festival Gifting)

Dear Customer ,

We are pleased to introduce ourselves as a leading manufacturer of Fans, Appliances, Lighting & Pump Products in India. For more than three decades, the "Crompton" brand has been synonymous with high quality fans, lighting, appliances & domestic pump.

It has manufacturing units in Goa, Vadodara, Ahmednagar and Baddi. Crompton products are available in nearly 150,000 retail points across the country. The performance of our product is second to none. It was the first company to cross sales of a million fans in 1989 and last year the sales crossed 10 million fans, probably the largest in the world. To meet the growing aspiration of younger generation, it is continually introducing smarter products like super-efficient LED bulbs, water heaters and patented tank designs made from Nano-tech based materials. Crompton pumps are the most preferred way to fill overhead water tanks in millions of homes.
