ACTI-FIT REFLECTER JACKET

Designed with the advancement of human performance in mind, the SPORTS REPUBLIC ACTI-FIT REFLECTER JACKET is a blend of form and function. The advanced 100% micro poly fabric doesn't just feel good against your skin, it moves moisture away from your body for maximum comfort. The jacket also features high quality reflectives for low light visibility ensuring safety without compromising style so you stay comfortable from the gym to the coffee shop and anywhere in between.

LOGO DECORATION

How can the idea of specification and promotion get executed completely without the possibility of printing and embroidery facilities. At our printing & embroidery unit, we can bring to effect different process like screen printing, digital printing, transfer printing, sublimation printing and embroidery. This diverse range of processes ensures that any kind of branding is possible on different types of fabrics and even ready garments.
