Gift Unmatched Experiences

Samsung Gifting

Samsung Corporate Gifting options offer much more than just the ordinary. Trusted all over the world, Samsung products represent the latest innovations that are backed by an extensive service network. What's more? They can be easily personalised to add more delight to your business relationships.

Reasons why Samsung Gifting options are simply unmatched

Unmatched Personalisation

Personalised Boot and Shutdown logo animation allow companies to display their own logo.

Personalised gift cards allow recipients the freedom to choose a Samsung product of their choice. These gift cards can be redeemed at www.samsung.com/in/business/gifting.

Unmatched Value

Samsung is the country's leading brand in mobile devices. This makes Samsung products the perfect gifting choice because of their high perceived value.

Our customised corporate offers are unmatched in the market.

Unmatched Quality

Samsung is one of India's most trusted brand*. Each one of our products represent latest innovation and technology. Backed by a large R&D team, the focus is to bring out products which are most suited for Indian conditions under the 'Make for India' initiative.

This is the reason why Samsung products provide a delightful experience for years to come.

Unmatched Bulk Servicing

Enjoy seamless bulk servicing management from booking to doorstep delivery with multi-location GST billing to claim input tax credit on the purchases. Samsung delivers this unmatched service support through a Pan-India service network.
