VARMORA
Homeware

Varmora Plastech is entirely dedicated to its vision of promoting healthy and convenient lifestyle among families across the globe. Our products, let it be storage containers, lunch boxes, water bottles, dinner sets, kitchenware and bathroomware products, are engineered in such a way that they provide maximum utility to consumers. Known for their user-friendly designs, superior quality and ease of carrying, Varmora Plastech products proves to be your true kitchen companion when it comes to addressing the hassles of carrying and storing food.

Along with that, the superior quality virgin and food grade plastic even on repeated use does not emit any unpleasant odours or leave stubborn stains. Varmora Plastech is smart choice that keeps your family healthy and safe!

Bottles

Go with the Flow

Water is essential and people tend to carry it with them; let it be school, office, gym, or outdoors. Keeping this in mind, Varmora Plastech has designed its bottles in such a way that they are convenient to carry, easy to handle, and trendy in looks. Our wide range of bottles include carry bottles, thermo insulated, refrigerator bottles, jugs, and others that can be used to store different types of beverages.

Now stay hydrated and keep your beverages fresh with the sturdy and stylish bottles by Varmora!

Tiffins

Carry it with Style

We have designed our tiffins in such a way that they are completely suitable to carry meals as we prefer them! Made from virgin and high quality food grade material, Varmora tiffins are completely healthy and hygienic for your family. Even after repeated use, these tiffins will not emit any unpleasant odours or leave stubborn stains.

- Varmora lunch bags are thermally insulated that keeps stored food warm for 4-5 hours.
- All plastic containers are microwave safe.

Be carefree! Your food is completely safe with Varmora!

Say Yes to Good Plastic

Plastic is inevitable. In today's times, we cannot live without plastic. So it becomes our responsibility to use good plastic that does not harm the environment and that can be recycled.

Varmora is all about good plastic. We at Varmora Plastech manufacture world-class products made from virgin and food grade plastic material. You don't need to worry when your children or any other family member carries lunch in Varmora lunchbox and drink water from our bottle. Good plastic is a VARMORA promise!
