2019-20

Great Ideas **Great Products**

Group **AMPRO** with over **35 years of experience** in Product Development and Plastic Moulding, transformed from a small manufacturer of plastic promotional goods to a flagship manufacturing unit dedicated to produce of Consumer Durables Plastics & Consumer Electronics. The state-of-art 80,000 Square Feet manufacturing plant at SIDCUL, HARIDWAR, equipped with World's best equipments and machinery, is driving force towards the growth of the group.

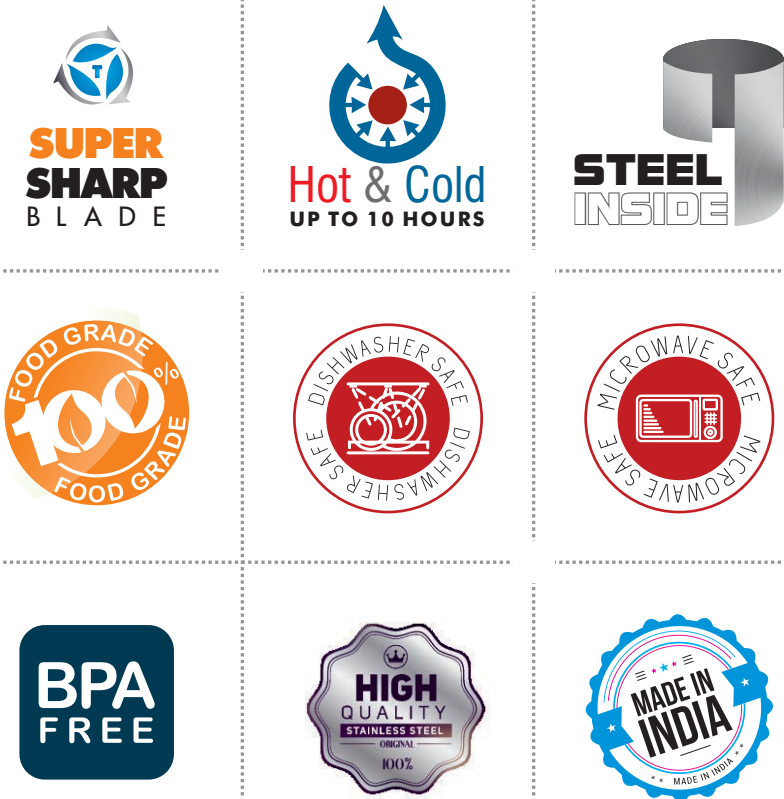

In the ever changing world where changes are made at fast pace. It is important to understand how these changes affect our lives and lifestyles. Trueware is constantly innovating and making Use of all that technology has to offer to meet the needs of modern lifestyle. Trueware, designed to b yours is emerging as leading popular brand to deliver high quality, innovative designed functional houseware products that bring delight and satisfaction to a wide masses. Trueware provides a unique concept of completion service from collaborative concept design through testing and costing to manufacture, delivery through our extensive integrated network. Trueware is dedicated to providing quality housewares that enhance and simplify life. Our skilled and professional team offers thorough innovative and customer focused service. They make Trueware simply the best choice for daily living solutions, designed to be yours.

Trueware understands the changes in technology and consumer needs to make the brand the way consumer desires them to be. It is our endeavour to give high quality experience and most appreciable value for consumers money. The sagacity to weave our brand consumer needs has conferred it with a distinct value and identity. Efficient capital structure, cutting edge technology, operational discipline and widespread distribution network have together attributed to enhance Trueware and enabled to deliver value to consumers. We choose the best of material for products focusing on selecting the right polymers to create safe and robust products that is able to stand the test of time.
