3 BLADE QUICK CHOPPER

FEATURES

- Carefully place the blade on the center of the bowl.
- Cut the ingredients into small pieces and place them in the bowl,
 To ensure best results, fill almost 1/4th of bowl capacity
 With ingredients eg., a medium sized onion.
- Place the cover on the bowl.
- Hold the lid with one hand and pull the handle with the Other hand, until the desired results are achieved.
- Take out the blade carefully before removing The chopped food from bowl.

Product : 3 BLADE QUICK CHOPPER

Model : KA-010

ACCESSORIES

QUICK PULL CHOPPER & MIXER

FEATURES

- Comes with 5 blades.
- Mix/ whip eggs, batter and more
- Manual traction with pull ring.

Product : QUICK PULL CHOPPER & MIXER

Model : KA-012

ACCESSORIES

MULTI CHOPPER

FEATURES

PREPARATION

Place the food to be prepared on the center of the chopping plate. Set the Food Chopper on the chopping plate.

CHOP

Place one hand on the top and the other hand around the chopper. Simply push down the handle over the food to be prepared. The more you push down, the finer the food is chopped. This allows the blades to chop and rotate simultaneously.

CLEAN

To clean, take out the lower part of the chopper's body and Knife guard. Rinse with warm water and let drip dry.

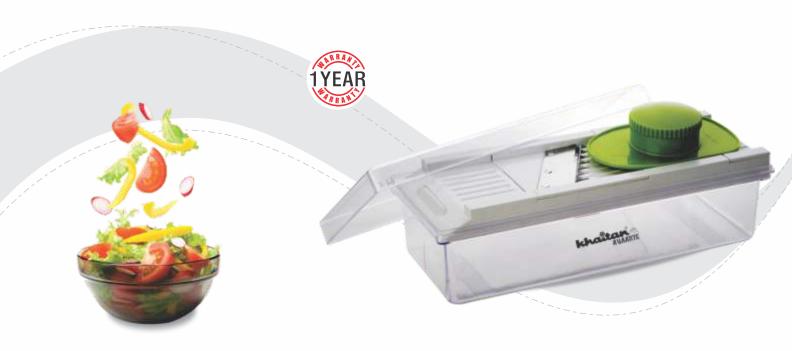

Product : MULTI CHOPPER
